Get involved and help us show your friends, relatives, and the Noosa public what we do at our fabulous shed

Donations and gifts to our shed continue this month We live in a very supportive and generous community and are very grateful of their support

Unity Water have donated a water bottle filling station. It will help us all stay hydrated as we work in our various areas of our shed

Bakers Delight at Noosa Heads kindly donate to our morning tea on Thursdays. Of course they only give us the healthy cakes and buns

SafetyQuip (head office at Noosa Heads and the SS Coast franchise at Kunda Park have combined to donate a defibrillator. Quote from Gary Shearer, the CEO of

Safetyquip " I really hope that one day, (in the very distant future) it will save a life or two of your precious members"

Peter Magarry and Owen study the operation of our Defibrillator

Stephen Carruth, Conrad Becker, Frank Olmos, Les Arthur, Tim Dun, Ron Blackman, and Phil Gallagher, who are our members trained in First Aid, receive our Defibrillator from SafetyQuip's Gary Shearer and Hennie Du Plessis
